

2025 READING PLAN

COMMUNITY BIBLE READING

How to use Community Bible Reading (*CBR*)

This plan allows you to read through the Bible in 2 ways:

1

You can read through the Bible in a calendar year by reading one New Testament chapter and three Old Testament chapters each weekday and three Old Testament chapters every weekend.

2

You can also read through the Bible in three years by reading the first two columns this year, the first and third columns next year, and the first and fourth columns the following year.

The goal of the program is the same either way -
that you develop a habit of and a love
for Bible reading that lasts a lifetime.

*What better ways to understand the life that the Bible brings than to read,
meditate on, journal about, and discuss chapters with your family and friends!*
